Additional information: Excellently preserved Bavaria 38 for sale.
Bavaria 38 is only a good 4 cm shorter than Bavaria 40 and is therefore significantly more spacious than Bavaria 37.
The boat has been privately owned from the beginning and has never been chartered. Regularly maintained, polished every season.
The vessel has a very spacious owner's cabin at the front and two cabins with large beds at the rear. One bathroom with toilet, navigation table. Spacious refrigerator, gas stove with oven. Radio, television,

GPS, VHF, autopilot, depth meter, wind instrument...
A Volvo Penta engine that has never been a problem.
Bimini and sprayhood in good condition, replaced three seasons ago.
Mainsail and foresail little used, in good condition.
There's also a genaker.
Teak is only in the cockpit, on the deck is plastic.
Anchor with electric winch.
GPS, VHF, life jackets, portable air conditioning, solar cell, ropes, buoys and other equipment stays on the boat.
There is also a 2.2 m long RIZ2 dinghy, year 2004, and a 2.3 hp Mercuri motor, year 2007, very little used.
Both the interior and exterior of the sailboat are extremely well maintained and undamaged. Over the winter, the sailboat was always fully covered, as seen in the pictures. Selling just because we are moving in an apartment. The sailboat is definitely worth buying.
The sailboat is registered until 2022 and is located in Sukošan near Zadar in the marina D-Marin Dalmacija at berth on the peninsula. You can sail under the Ždrelac bridge between Ugljan and Pašman.
